FOA
porte

foaporte

Le Porte **FOA** rappresentano un preciso riferimento nel panorama della produzione di porte e divisori interni in cui il vetro gioca da vero protagonista ed è frutto di un impegno che si esprime attraverso una costante ricerca che, pur utilizzando la tecnologia, valorizza la natura delle cose create artigianalmente.

FOA *doors stand out in the panorama of interior doors and partitions where glass is the centre of attention and the result of a commitment to continuous research that, although technology is used, enhances the nature of handcrafted products.*

Tekno

Acciaio e vetro sono
i componenti essenziali
della collezione.
Porte scorrevoli.

Both steel and glass
are the main components
of the collection.
Sliding doors.

Sinthesy

Linea minimalista
e di tendenza dove il vetro
è il vero protagonista
Porte e pareti scorrevoli,
a scomparsa,
a battente singole e doppie.

Minimalist and trendy
collection where the glass
is the real star.

singole e doppie.

The modern Program
offers proposes a thin
square profile.
Sliding doors, sliding
into the wall,
folding doors, single and
double swing doors.

Slim

Linea moderna con slanciato
profilo arrotondato
e di ridotte dimensioni.
Porte e pareti scorrevoli,
a scomparsa,
pieghevoli, a battente
singole e doppie.

The modern Program offers
a fine and sleek slimline
rounded profile.
Sliding doors, sliding
into the wall,
folding doors, single and
double swing doors.

Elegance

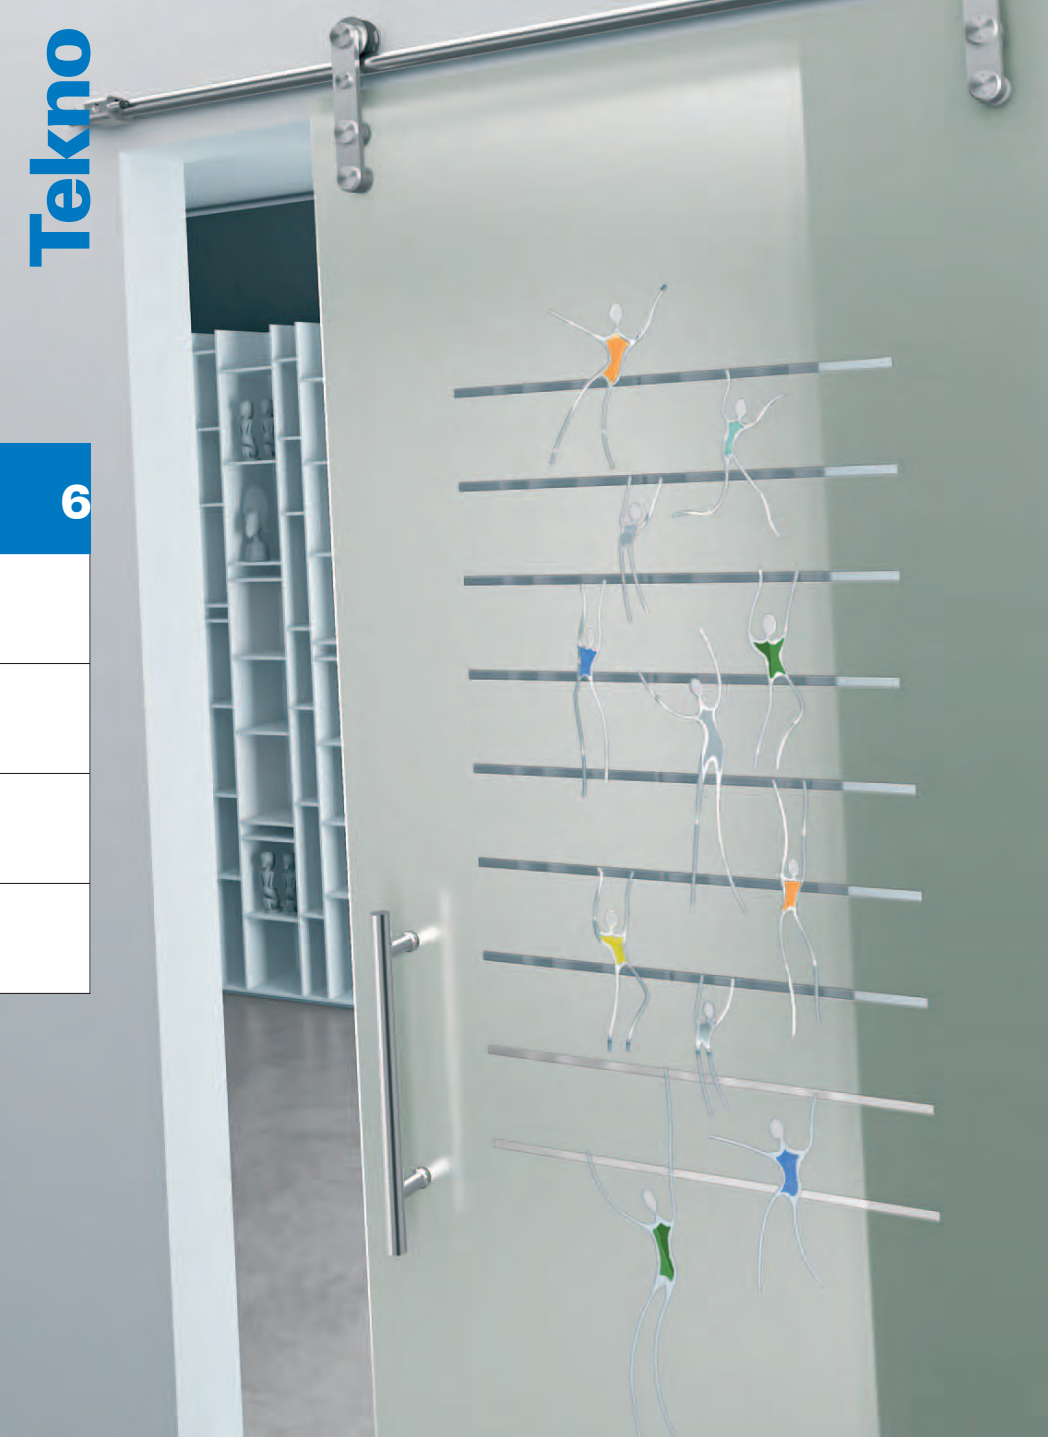
Linea di gusto classico.
Porte e pareti scorrevoli,
a scomparsa,
pieghevoli, a battente
singole e doppie.

The Program represents
a classic taste.
Sliding doors, sliding
into the wall,
folding doors, single and
double swing doors.

Scorrevole esterno vano ad un'anta TEKNO UNO.
Vetro stratificato acidato.
Elementi tecnici in acciaio inox satinato.

TEKNO UNO single external sliding door.
Laminated frosted glass.
Glazed stainless steel technical elements.

5



Scorrevole esterno vano
ad un'anta TEKNO UNO.
Vetro stratificato acidato.
Decoro "climb colorato".
Elementi tecnici
in acciao inox satinato.

TEKNO UNO single external sliding door.
Laminated frosted glass with "climb colorato" decoration.
Glazed stainless steel technical elements.

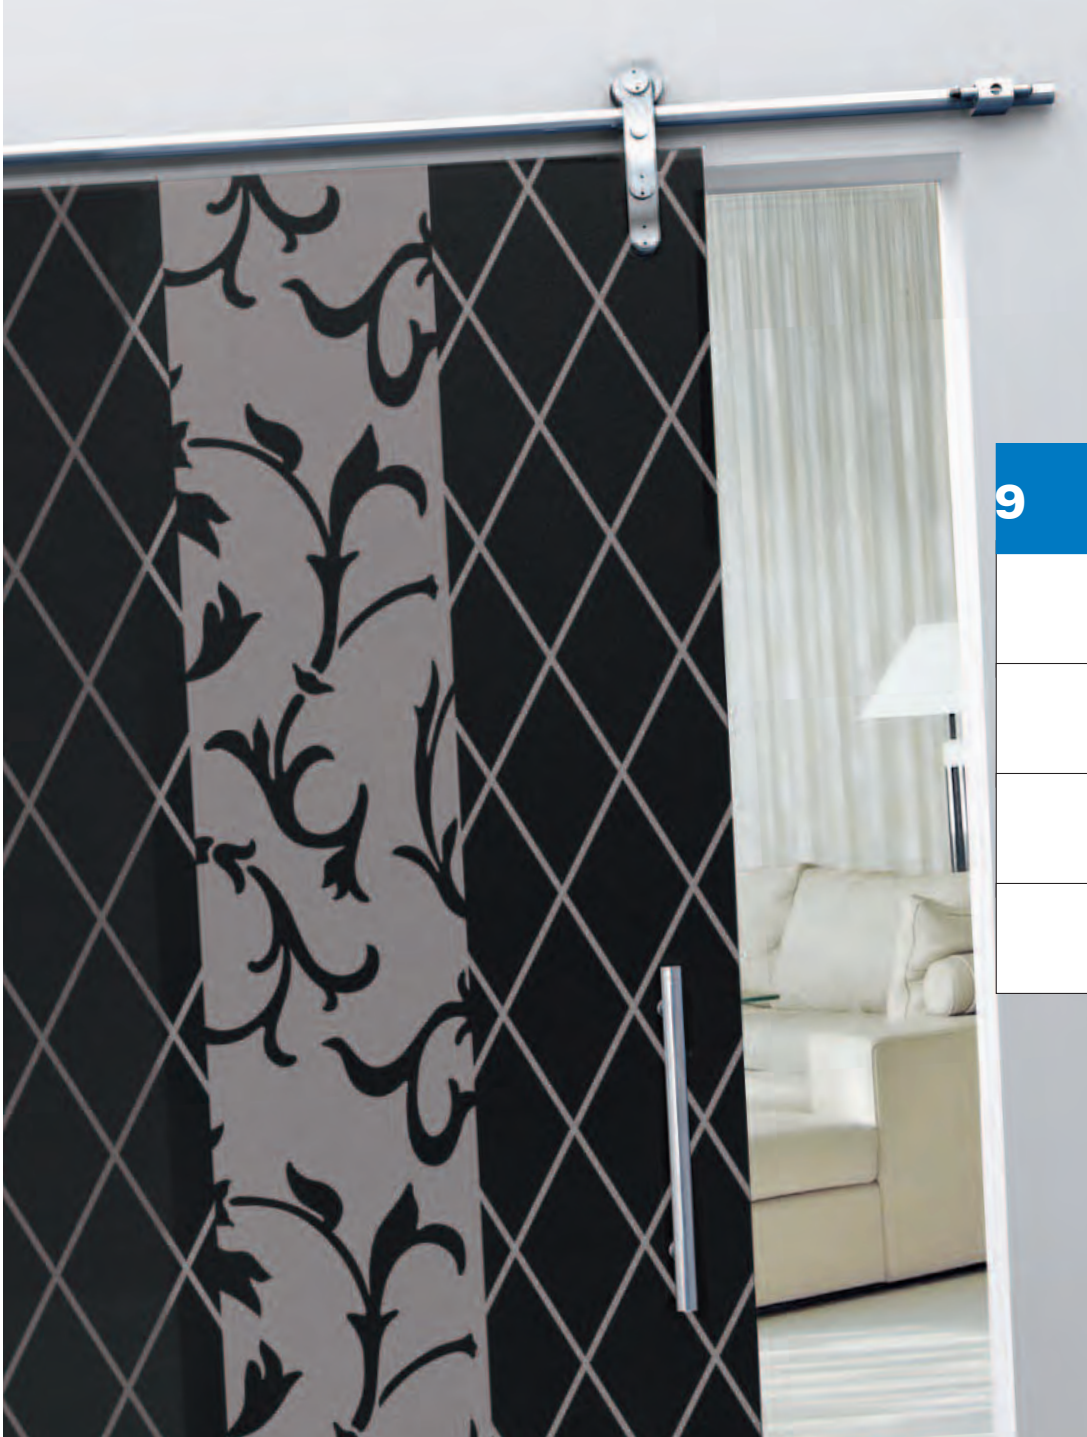
Scorrevole esterno vano a
due ante TEKNO DUE.
Vetro colorato
"BLUES - giallo cedro"
stratificato.
Decoro vetro liquido "willow".
Elementi tecnici
in acciaio inox satinato.

TEKNO DUE double external sliding door.
Laminated coloured glass "BLUES - giallo cedro".
"willow" decoration.
Glazed stainless steel technical elements.

7

Scorrevole esterno vano
ad un'anta TEKNO UNO.
Vetro colorato stratificato
"POP - nero seppia".
Elementi tecnici
in acciaio inox satinato.

TEKNO UNO single external sliding door. Laminated coloured glass "POP - nero seppia". Glazed stainless steel technical elements.



Scorrevole esterno vano ad un'anta TEKNO UNO. Vetro colorato stratificato "POP - nero seppia". Decoro sabbiato "lilium". Elementi tecnici in acciaio inox satinato.

TEKNO UNO single external sliding door. Laminated coloured glass "POP - nero seppia" with "lilium" sandblasted decoration. Glazed stainless steel technical elements.

Scorrevole esterno vano
ad un'anta TEKNO UNO.
Vetro stratificato trasparente.
Decoro sabbiato "righe 7010".
Elementi tecnici
in acciaio inox satinato.

TEKNO UNO single
external sliding door.
Laminated transparent glass
with "righe 7010"
sandblasted decoration.
Glazed stainless steel
technical elements.

Scorrevole esterno
vano a due ante TEKNO UNO.
Vetro colorato stratificato
"POP - bronzo terra".
Decori sabbiati "grid".
Elementi tecnici
in acciaio inox satinato.

TEKNO UNO double
external sliding door.
Laminated coloured glass
"POP - bronzo terra" with "grid"
sandblasted decorations.
Glazed stainless steel
technical elements.

Scorrevole esterno
vano ad un'anta
TEKNO DUE.
Vetro colorato "BLUES - turchese"
stratificato.
Decoro sabbiato "optic".
Elementi tecnici
in acciaio inox satinato.

TEKNO DUE single
external sliding door.
Laminated coloured glass
"BLUES - turchese".
"optic" sandblasted
decoration.
Glazed stainless steel
technical elements.

Scorrevole esterno vano ad un'anta TEKNO UNO. Vetro stratificato acidato. Decoro "cuisine neutro". Elementi tecnici in acciaio inox satinato.

TEKNO UNO single external sliding door. Laminated frosted glass with "cuisine neutro" decoration. Glazed stainless steel technical elements.

Scorrevole esterno
vano ad un'anta
TEKNO UNO.
Vetro colorato stratificato
"POP - grigio fumo".
Decoro sabbiato "indigo".
Elementi tecnici
in acciaio inox satinato.

TEKNO UNO single
external sliding door.
Laminated coloured glass
"POP - grigio fumo"
with "indigo"
sandblasted decoration.
Glazed stainless steel
technical elements.

Scorrevole esterno vano
ad un'anta TEKNO UNO.
Vetro colorato stratificato
"POP - arancio oriente".
Decoro sabbiato "cuc".
Elementi tecnici
in acciaio inox satinato.

TEKNO UNO single external
sliding door.
Laminated coloured glass
"POP - arancio oriente" with
"cuc" sandblasted decoration.
Glazed stainless steel
technical elements.

Scorrevole esterno
vano ad un'anta TEKNO UNO.
Vetro stratificato trasparente.
Decoro sabbiato "righe 3010".
Elementi tecnici
in acciaio inox satinato.

TEKNO UNO single external sliding door. Laminated transparent glass with "righe 3010" sandblasted decoration. Glazed stainless steel technical elements.

Scorrevole esterno vano ad un'anta TEKNO UNO. Vetro stratificato acidato. Decoro "tango colorato". Elementi tecnici in acciaio inox satinato.

TEKNO UNO single external sliding door. Laminated frosted glass with "tango colorato" decoration. Glazed stainless steel technical elements.

Scorrevole esterno
vano TEKNO UNO.
Vetro colorato stratificato
"POP - bronzo terra".
Decoro sabbiato "roseto".
Elementi tecnici
in acciaio inox satinato.

TEKNO UNO
external sliding door.
Laminated coloured glass
"POP - bronzo terra"
with "roseto"
sandblasted decoration.
Glazed stainless steel
technical elements.

Scorrevole esterno vano ad un'anta TEKNO UNO. Specchio bifacciale stratificato. Elementi tecnici in acciaio inox satinato.

TEKNO UNO single external sliding door. Laminated two-sided mirror. Glazed stainless steel technical elements.

Pannelli scorrevoli QUADRA.
Vetro stratificato trasparente.
Decoro sabbiato "rondò".
Struttura in legno laccato bianco.

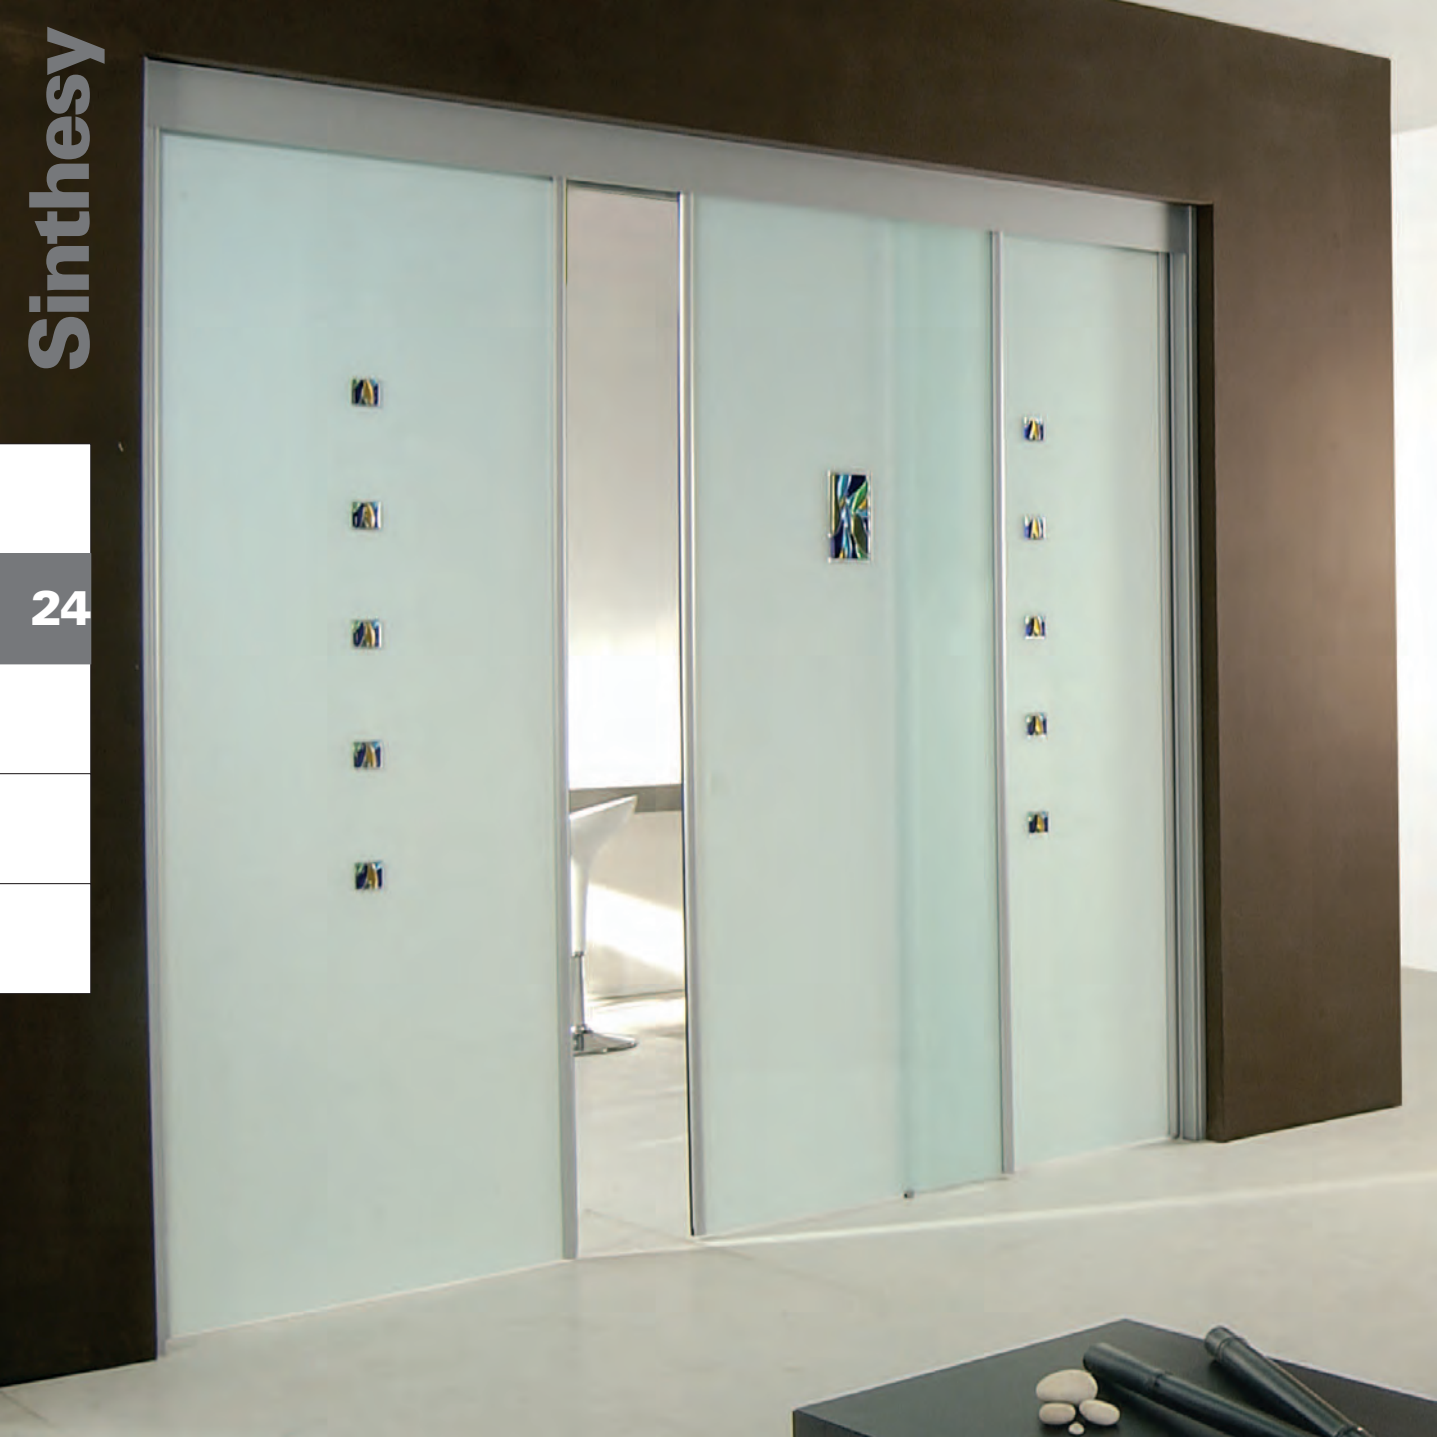
QUADRA sliding panels.
Laminated transparent with "rondò"
sandblasted decoration.
White lacquered wood structure.

Pannello scorrevole STYLO
con vetro stratificato acidato
e decoro sabbiato "wisp".
Struttura in legno laccato
alluminio.

STYLO sliding panel with laminated frosted glass and "wisp" sandblasted decoration. Aluminium lacquered wood structure.

Pannelli scorrevoli STYLO
con vetro stratificato acidato.
Decoro sabbiato AURIGA
al centro e applicazioni
in vetro fuso
STROMBOLI ai lati.
Struttura in legno
tinta noce scuro.

STYLO sliding panels with laminated frosted glass. AURIGA sandblasted decoration at the centre and STROMBOLI melted glass applications on the sides. Dark walnut finish wood structure.



Pannelli scorrevoli STYLO
con vetro stratificato opalino
e applicazioni in vetro fuso
con base in foglia colore
argento RUSSIA e MOSCA.
Struttura in legno laccato
alluminio.

STYLO sliding panels with laminated opaline glass and RUSSIA and MOSCA melted glass applications with silver leaf base. Aluminium lacquered wood structure.

Pannelli scorrevoli LIGHT
con vetro stratificato acidato
e decoro sabbiato "zoe".
Struttura in legno
tinta wengé.

LIGHT sliding panels with frosted laminated glass and "zoe" sandblasted decoration. Wengé finish wood structure.

Pannello scorrevole a scomparsa LIGHT con vetro stratificato acidato e decoro sabbiato "screen". Struttura in legno laccato alluminio.

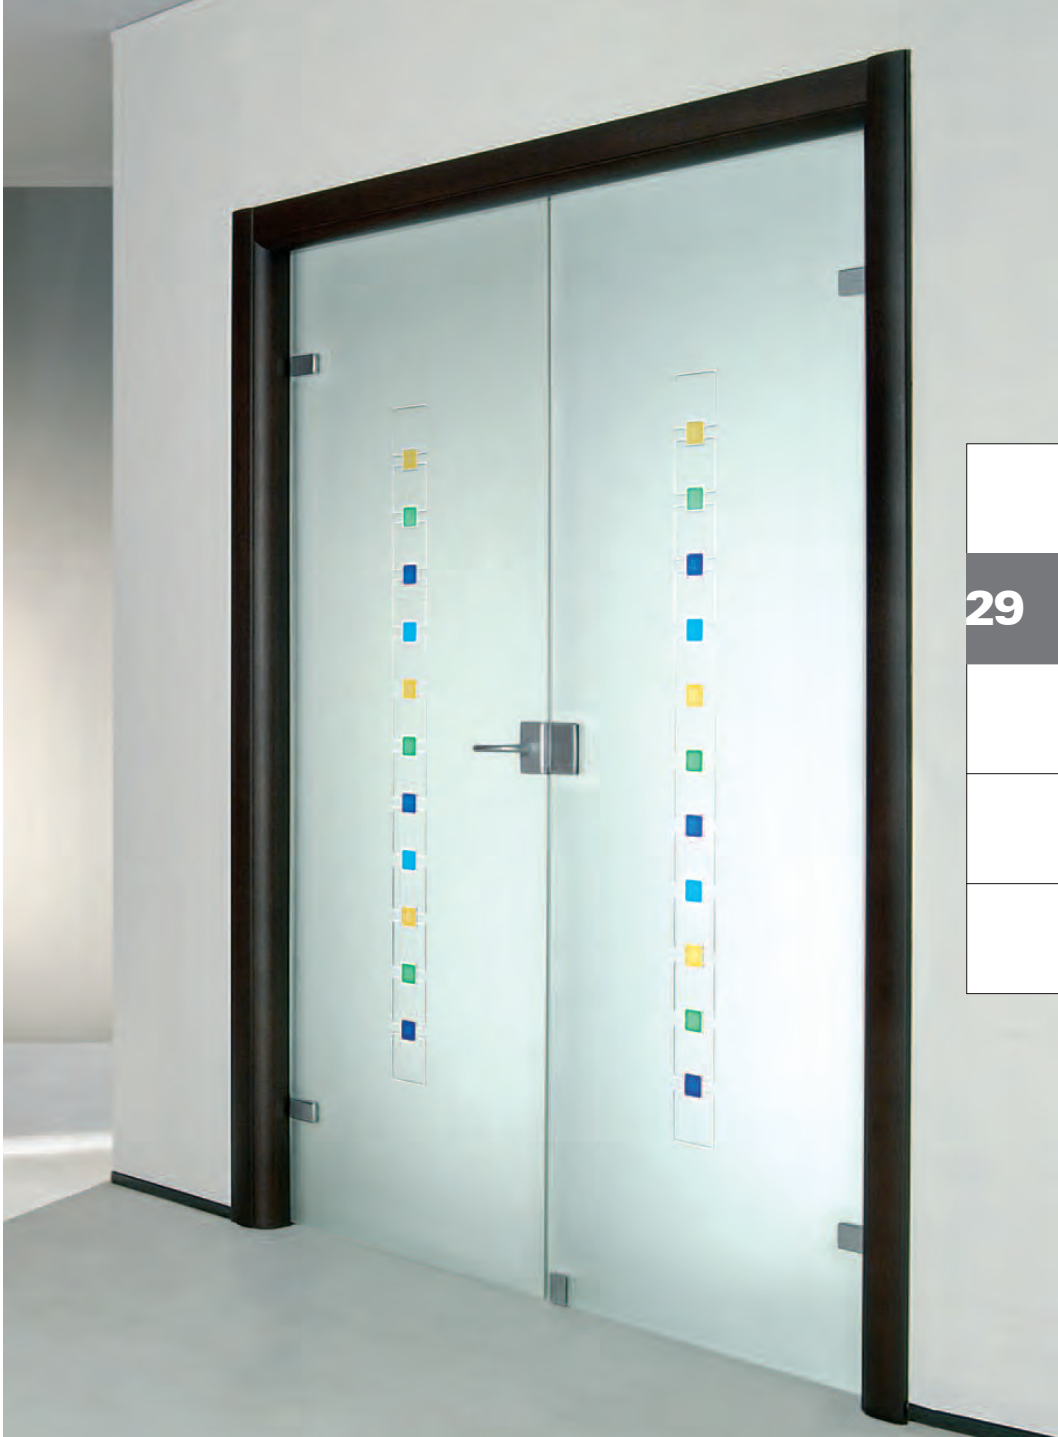
LIGHT sliding panel into the wall with frosted laminated glass and "screen" sandblasted decoration. Aluminium lacquered wood structure.

Pannelli scorrevoli a scomparsa STYLO con vetro stratificato acidato e decoro "dracena neutro". Struttura in legno tinta wengé.

STYLO sliding panels into the wall with frosted laminated glass and "dracena neutro" decoration. Wengé finish wood structure.

Porta a battente con
sopraluce SLIVER.
Modello S1 con scrocco
e pomolo in cristallo.
Versione con stipite
squadrato in legno
finitura rovere sbiancato.
Vetro temperato acidato e
applicazioni assortite in vetro
fuso neutro.

SLIVER swing door
with transom.
Model S1 with ball catch
and glass knob.
Version with square
bleached oak finish
wood jamb.
Frosted tempered glass and
assorted neutral melted glass
applications.

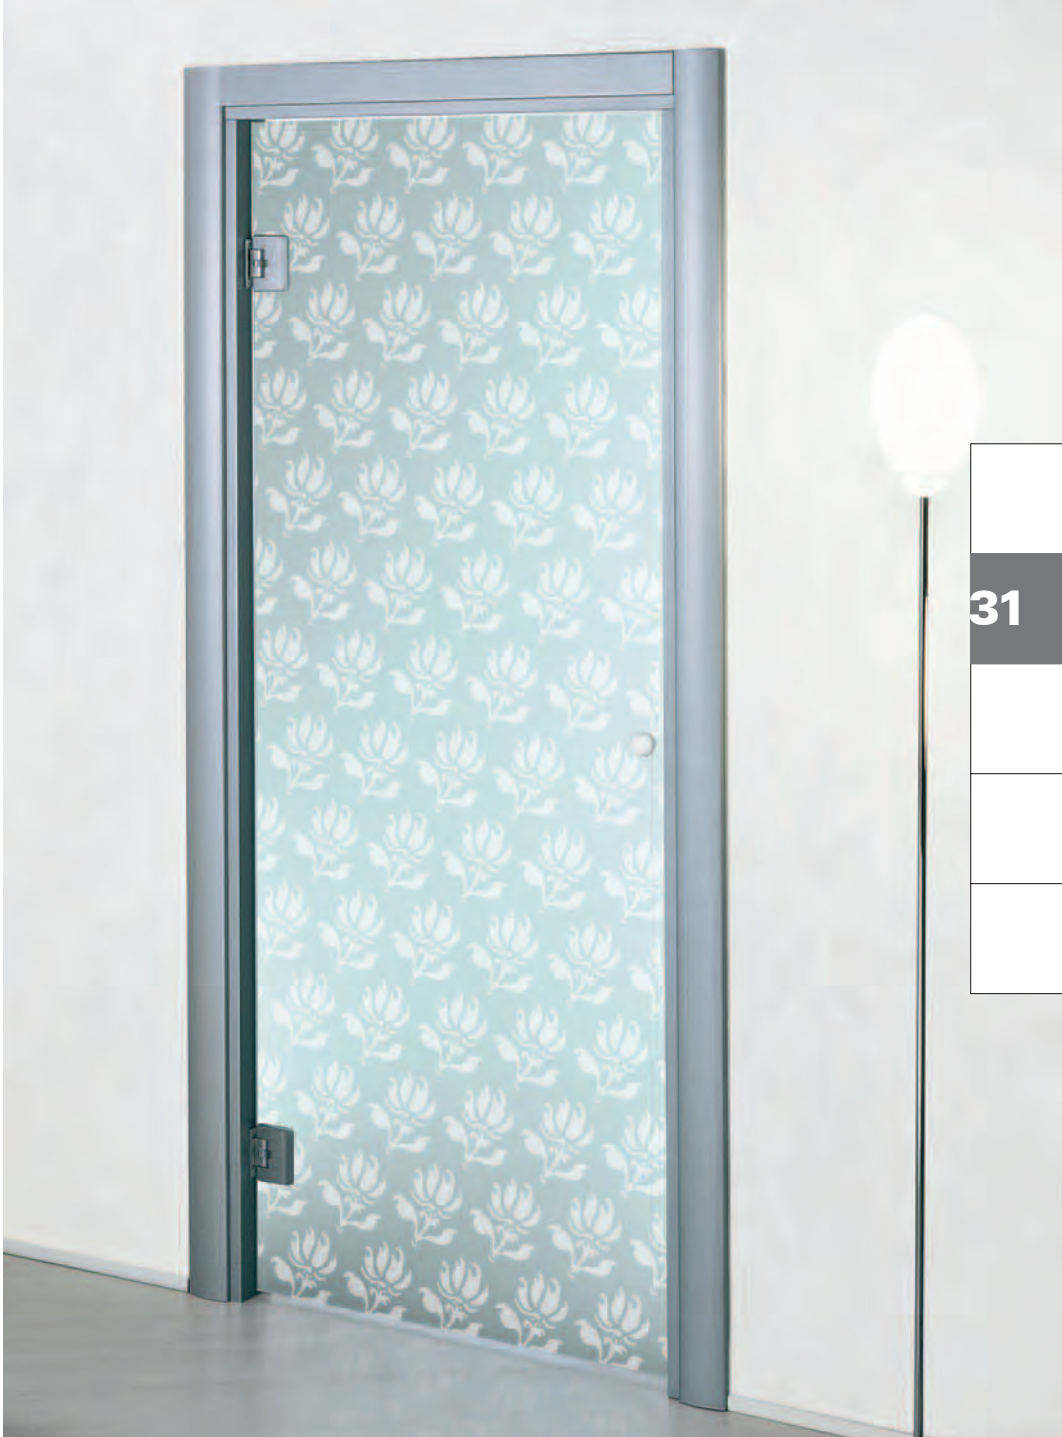


Porta a battente
a doppia anta SLIVER.
Modello S2, serratura
con maniglia.
Versione con stipite bombato
in legno tinta wengé.
Vetro temperato acidato
e decoro "trixy colorato".

SLIVER double swing door.
Model S2, lock with handle.
Version with rounded wengé
finish wood jamb. Frosted
tempered glass and "trixy
colorato" decoration.

Porta a battente SLIVER.
Modello S1 con scrocco
e pomolo in cristallo.
Versione con stipite bombato
in legno tinta wengé.
Vetro temperato acidato e
decoro sabbiato ACQUARIO.

SLIVER swing door.
Model S1 with ball catch and glass knob.
Version with rounded wengé finish wood jamb.
Frosted tempered glass and ACQUARIO sandblasted decoration.



Porta "a ventola" SLIVER.
Modello S4 con
pomolo in cristallo.
Versione con stipite in legno
laccato alluminio.
Vetro temperato acidato e
decoro sabbiato ROSAE.

SLIVER double-acting door.
Model S4 with glass knob.
Version with aluminium lacquered wood jamb.
Frosted tempered glass and ROSAE sandblasted decoration.

Pannelli scorrevoli F1.
Vetro stratificato "BLUES - rosso ciliegia".
Decoro sabbiato "olive".
Struttura in legno tinta wengé.

Sliding panels F1.
Laminated "BLUES - rosso ciliegia" with "olive" sandblasted decoration.
Wengé colour wood structure.

Pannelli scorrevoli F1.
Vetro stratificato
"BLUES - arancio mandarino".
Decoro "vicky".
Struttura in legno finitura
rovere sbiancato.

Sliding panels F1. Laminated "BLUES - arancio mandarino" with "vicky" decoration. Bleached oak wood structure.

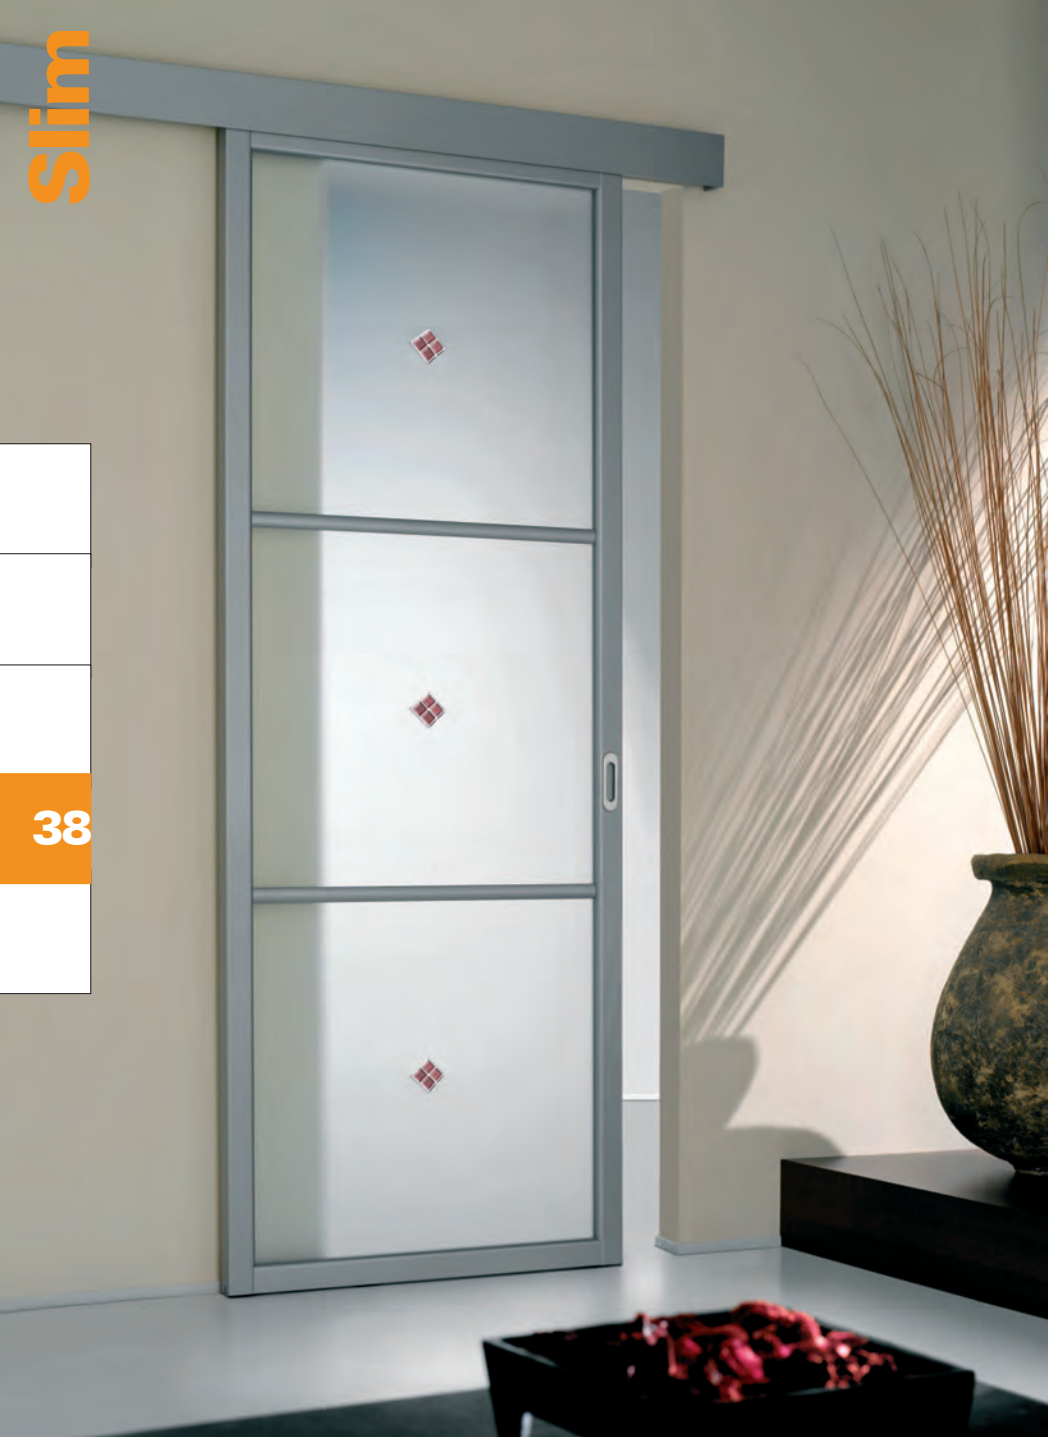
Porta a battente F1 a tutt'altezza in legno finitura rovere sbiancato. Vetro stratificato acidato. Decoro "ghirigoro".

F1 full height wooden swing door with bleached oak finish. Frosted laminated glass with "ghirigoro" decoration.

Slim

Struttura in legno laccato alluminio.
Pannelli scorrevoli R3 con vetro stratificato acidato
e applicazioni in vetro fuso KEA.

Aluminium finish wooden structure.
R3 sliding panels with frosted laminated glass
and KEA melted glass decorations.



Struttura in legno
laccato alluminio.
Pannello scorrevole R3 con
vetro stratificato acidato
e applicazioni in vetro
fuso SAMOS.

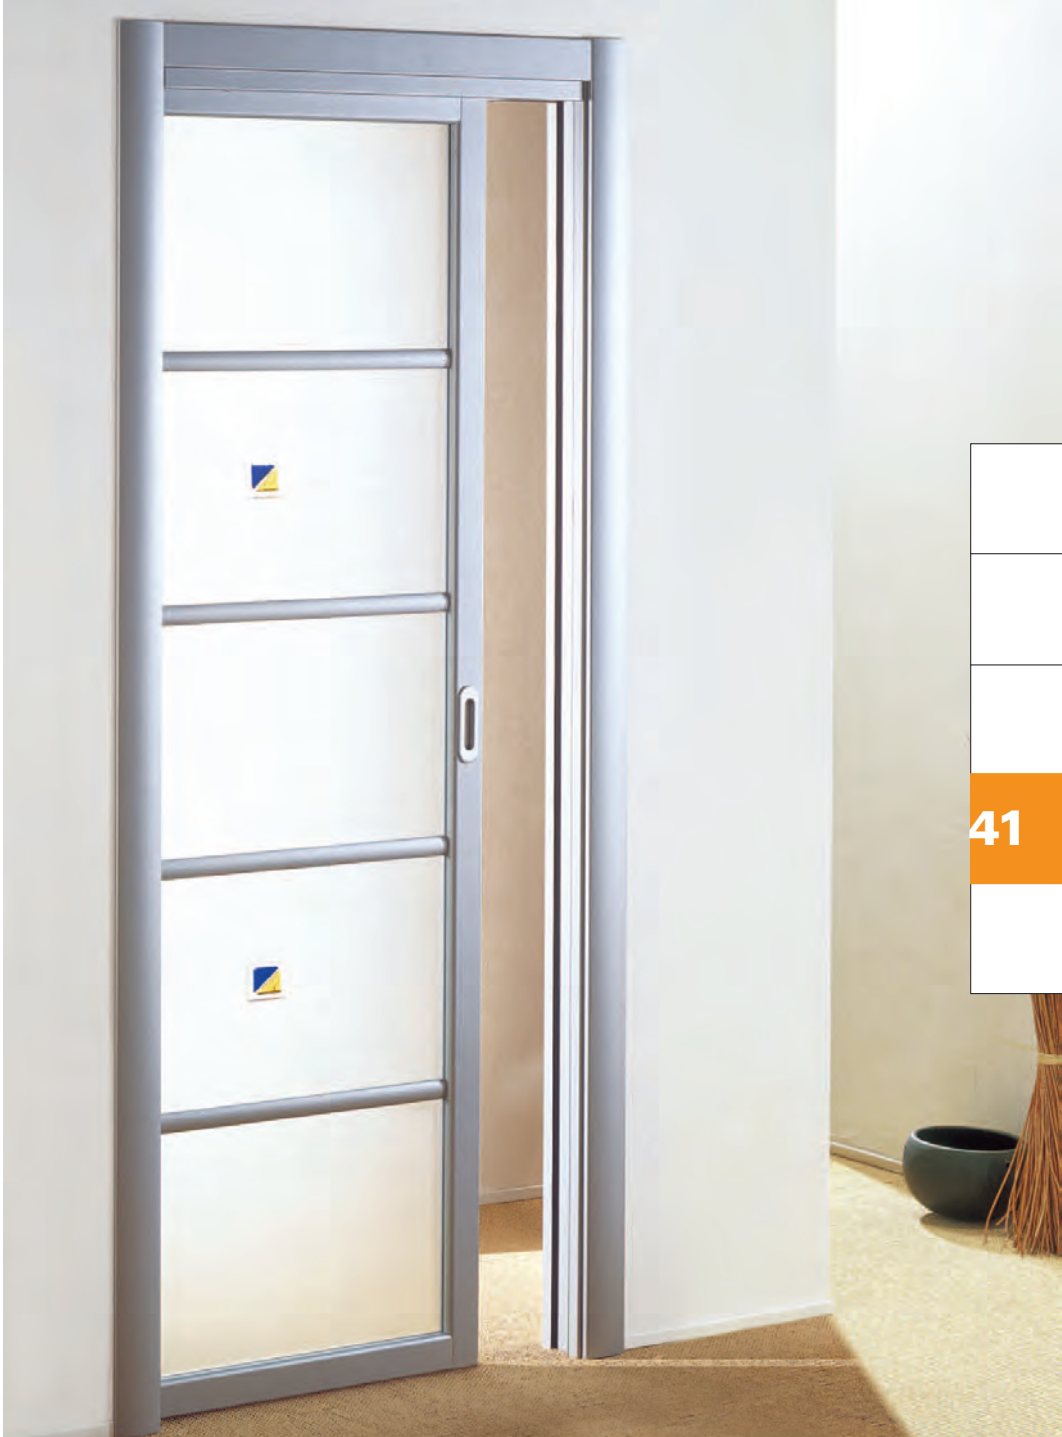
Aluminium finish wooden structure. R3 sliding panel with frosted laminated glass and SAMOS melted glass decorations.

Struttura in legno
tinta noce scuro.
Pannelli scorrevoli R1 con vetro
stratificato acidato e decori
"canneto neutro".

Dark walnut coloured wood structure. R1 sliding doors with frosted laminated glass and "canneto neutro" decorations.

Struttura in legno
tinta wengé.
Pannello scorrevole a
scomparsa R1 con vetro
stratificato acidato e decoro
sabbiato "africa".

Wengé colour wood
structure.
R1 concealed-in-wall sliding
panel with frosted laminated
glass and "africa" sandblasted
decoration.

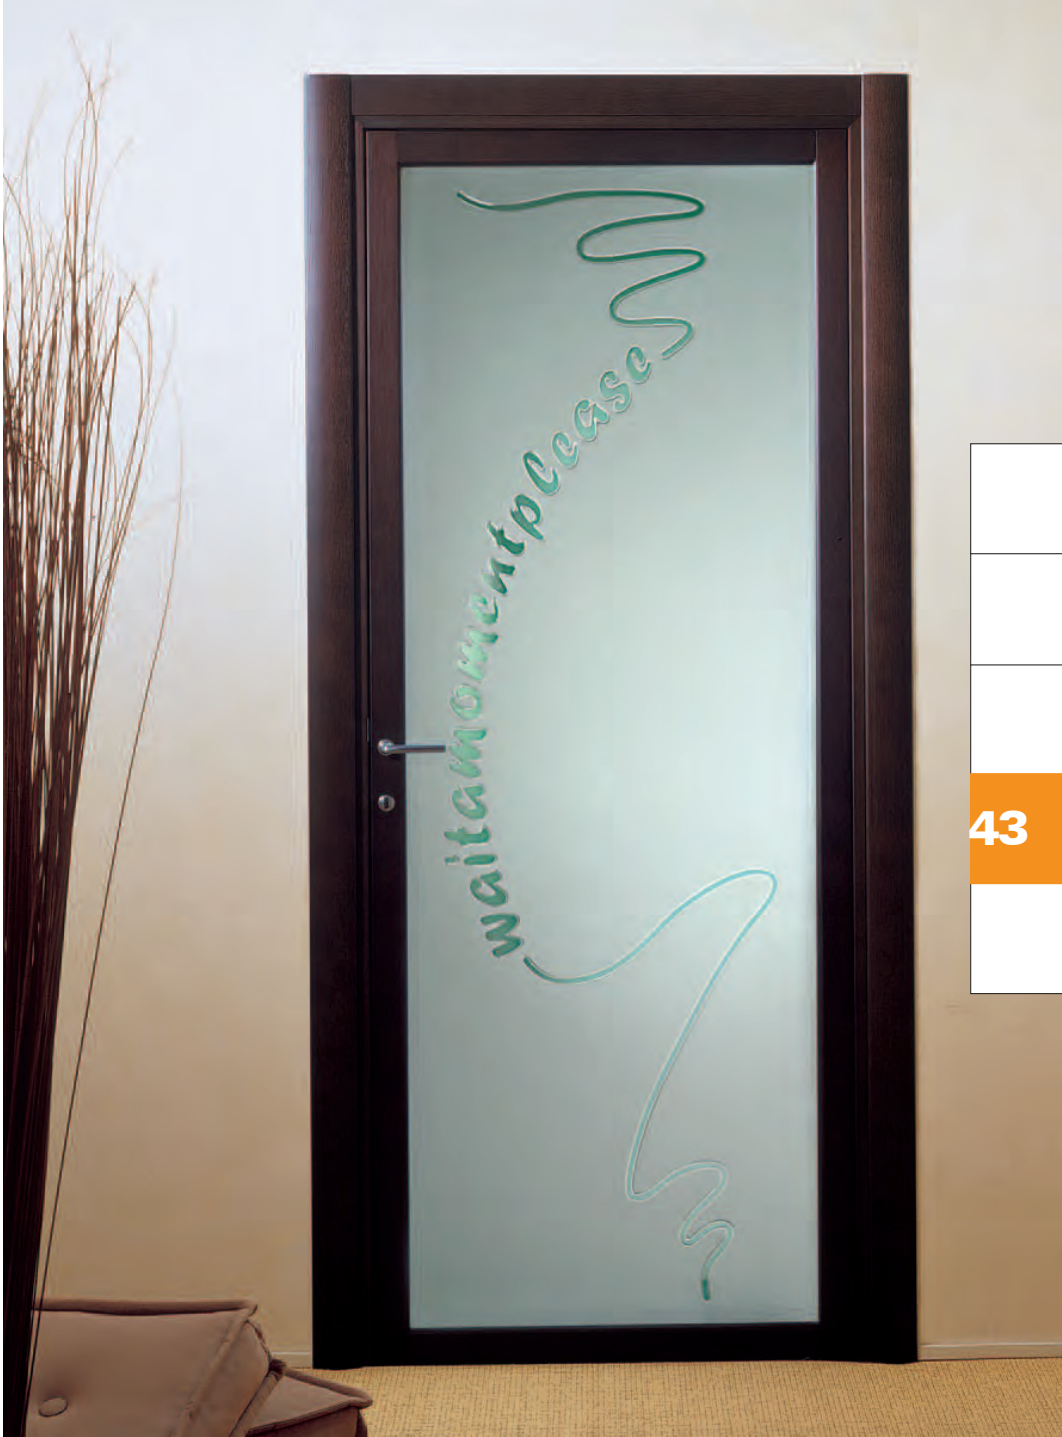


Struttura in legno
laccato alluminio.
Pannello scorrevole
a scomparsa R5
con vetro stratificato acidato
e applicazioni
in vetro fuso CRETA.

Aluminium finish
wooden structure.
R5 concealed-in-wall sliding
panel with
frosted laminated glass and
CRETA melted
glass decorations.

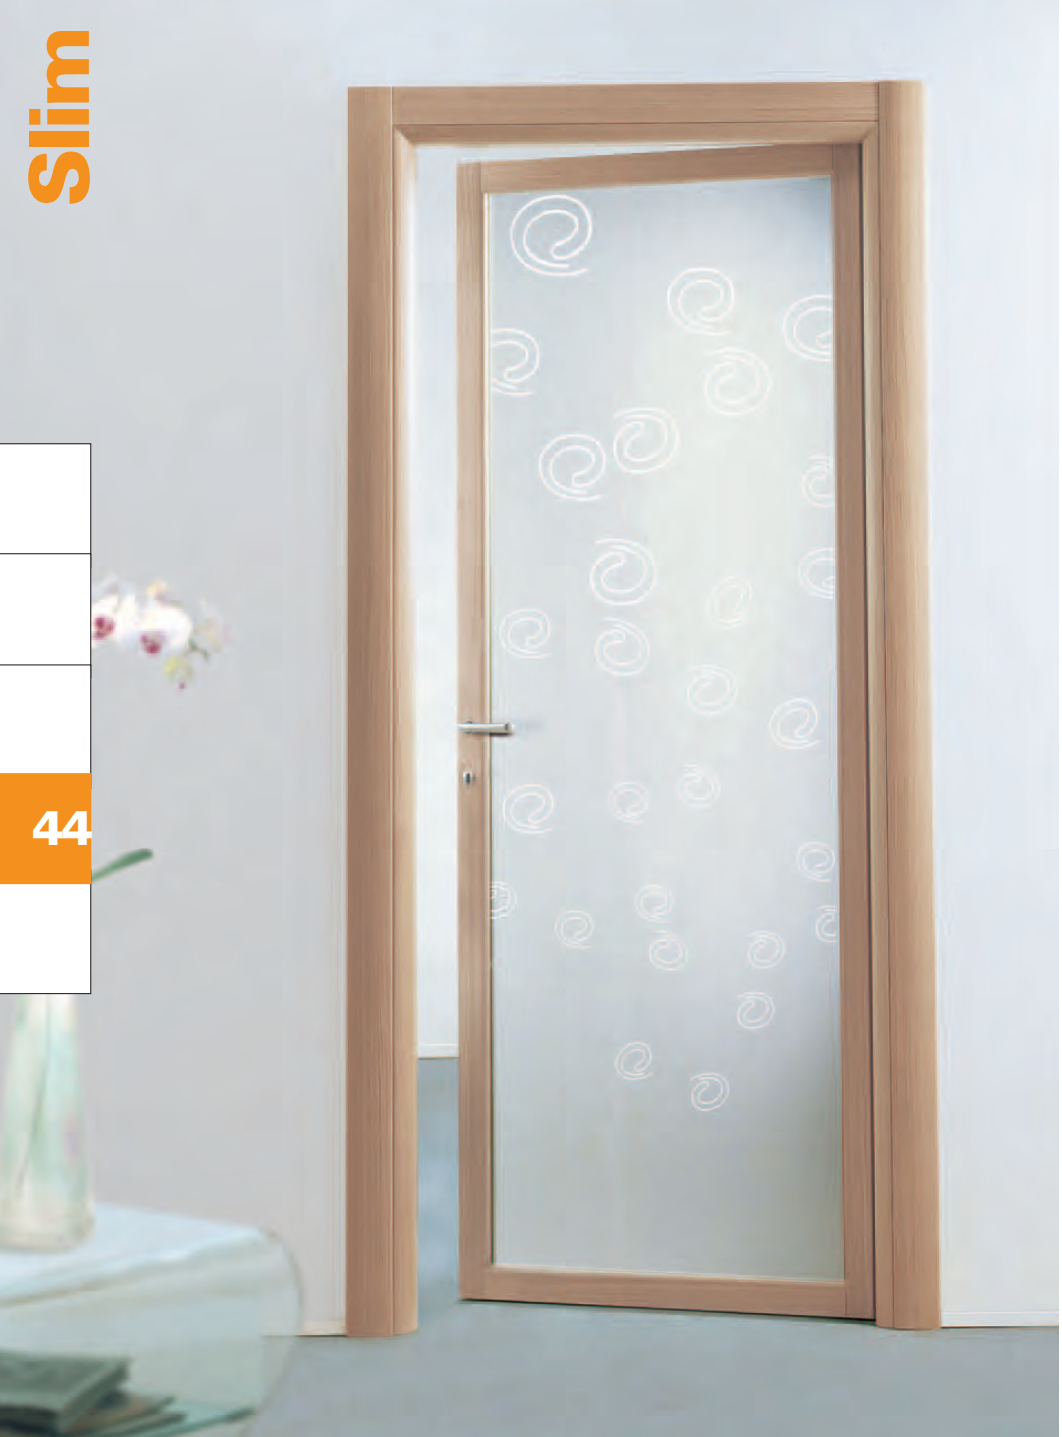
Struttura in legno tinta wengé. Pannelli scorrevoli a scomparsa R1 con vetro stratificato acidato e decori "balka colorato".

Wengé colour wood structure. R1 concealed-in-wall sliding panels with frosted laminated glass and "balka colorato" decorations.



Porta a battente R1 in legno tinta wengé. Versione con stipite bombato. Vetro stratificato acidato e decoro "moment neutro".

R1 wengé finish wooden swing door. Version with rounded section jamb. Frosted laminated glass and "moment neutro" decoration.



Porta a battente R1
in legno finitura
rovere sbiancato.
Versione con stipite bombato.
Vetro stratificato acidato e
decoro sabbiato "anelli".

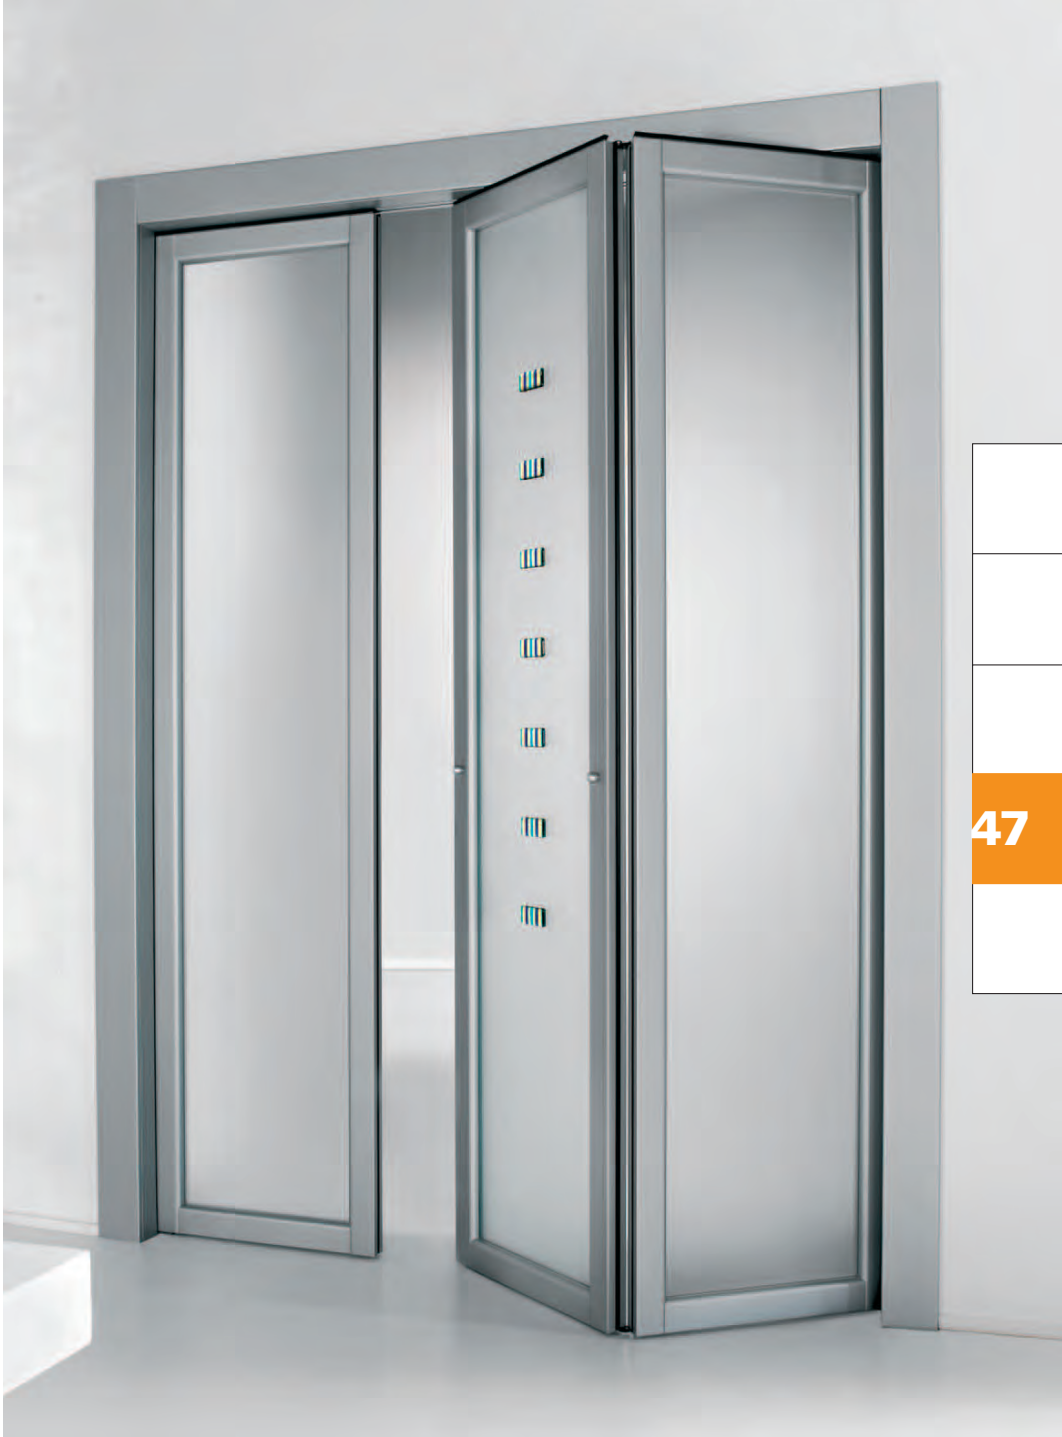
R1 wooden swing door with bleached oak finish. Version with rounded section jamb. Frosted laminated glass with "anelli" sandblasted decoration.

Porta a battente R3 in legno laccato alluminio. Versione con stipite bombato. Vetro stratificato acidato e applicazioni in vetro fuso CORFU'.

R3 aluminium finish wooden swing door. Version with rounded section jamb. Frosted laminated glass with CORFU' melted glass decorations.

Struttura in legno
tinta wengé.
Porta a libro doppia R2.
Versione con stipite
squadrato.
Vetro stratificato opalino.

Wengé colour
wooden structure.
R2 double centre
split folding door.
Version with square
section jamb.
Opaline laminated glass.



Struttura in legno
laccato alluminio.
Porta a libro a tre ante
(di cui una semi-fissa) R1.
Versione con stipite squadrato.
Vetro stratificato acidato
e applicazioni in vetro fuso
"GORGONA VERDEMIX".

Aluminium finish
wooden structure.
R1 three-wing centre
split folding door
(one semi-fixed wing).
Version with square
section jamb.
Frosted laminated glass with
"GORGONA VERDEMIX"
melted glass decorations.

Struttura in legno tinta noce scuro.
Pannelli scorrevoli ARIANNA con vetro
stratificato acidato e applicazioni
in vetro fuso sabbiato “ETNIKA”.

Dark walnut colour wood structure.
ARIANNA sliding panels with laminated
frosted glass and “ETNIKA” sandblasted
neutral melted glass applications.

Struttura in legno
tinta ciliegio poro aperto.
Pannello scorrevole
AMANDA
con vetrate stratificate
"serie PREMIUM"
(tecnica Tiffany).

Cherry colour wood structure open pore. AMANDA sliding door with "serie PREMIUM" laminated glass panes (Tiffany technique).

Struttura in legno tinta
noce scuro.
Pannelli scorrevoli ARIANNA
con vetro stratificato
acidato e decori
"climb e mini climb colorato".

Dark walnut colour wood structure. ARIANNA sliding panels with laminated frosted glass and "climb and mini climb colorato" decorations.

Struttura in legno tinta noce medio.
Pannelli scorrevoli ALESSANDRA con vetrate stratificate "serie PLATINUM" (tecnica Tiffany).

Medium walnut colour wood structure. ALESSANDRA sliding doors with "serie PLATINUM" laminated glass panes (Tiffany technique).

Struttura in legno tinta noce scuro.
Pannelli scorrevoli ARIANNA con vetro stratificato acidato e decoro sabbiato "arkel".

Dark walnut colour wood structure. ARIANNA sliding doors with frosted laminated glass and "arkel" sandblasted decoration.

Struttura in legno tinta noce medio.
Pannelli scorrevoli a scomparsa MONICA con vetrate stratificate MADREPERLA (Tecnica Tiffany).

Medium walnut colour wood structure.
MONICA sliding panels into the wall with MADREPERLA laminated glass panes (Tiffany technique).

Struttura in legno laccato bianco.
Pannelli scorrevoli a scomparsa MONICA con vetrate stratificate SIRMIONE - "Linea VIVACE" (Tecnica Mosaico).

White lacquered wood structure.
MONICA sliding doors into the wall with SIRMIONE - "Linea VIVACE" laminated glass panes (Mosaic technique).

Struttura in legno
tinta ciliegio.
Pannello scorrevole
a scomparsa MONICA
con vetrata
stratificata BAMBU'
("Decorato piombo"
- base YOKO).

Cherry colour wood
structure.
MONICA sliding panel
into the wall with BAMBU'
laminated glass pane
("Decorato piombo"
- YOKO base).

Porta a battente ELENA in legno tinta ciliegio. Vetro stratificato acidato e decoro sabbiato "boomerang".

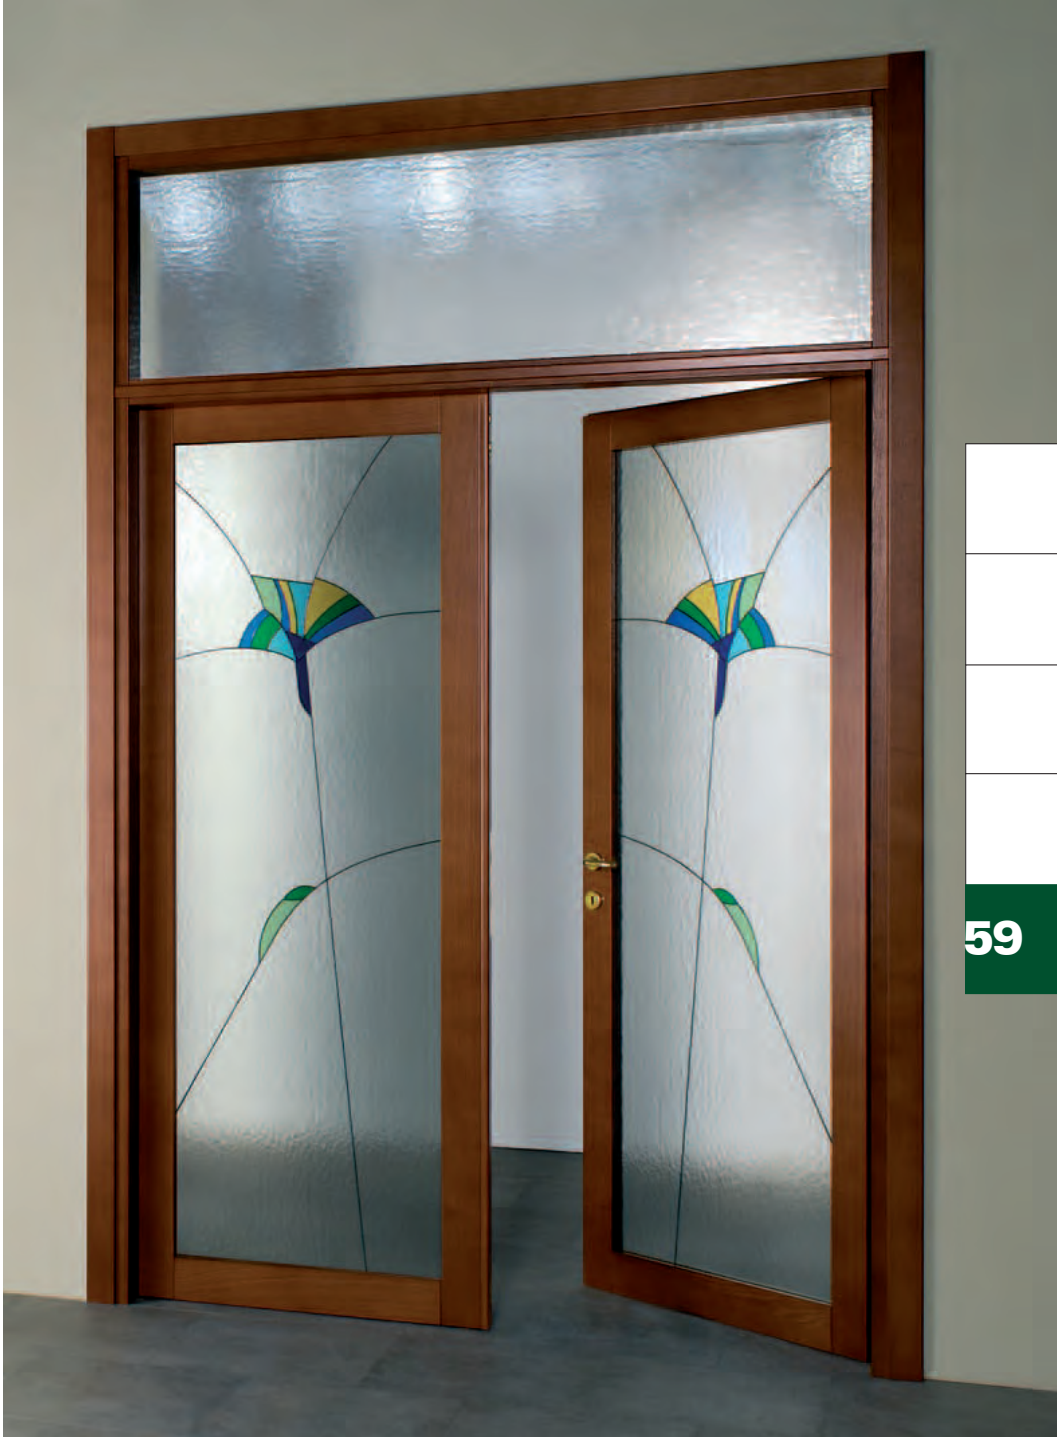
ELENA wooden swing door, cherry colour. Frosted laminated glass and "boomerang" sandblasted decoration.

Porta a battente doppia asimmetrica FEDERICA, in legno tinta noce medio. Vetro stratificato acidato e decoro sabbiato "righe 7010".

FEDERICA double asymmetrical swing door. Medium walnut colour wood structure. Frosted laminated glass and "righe 7010" sandblasted decoration.

Porta a battente doppia simmetrica ELENA con sopraluce, in legno tinta noce medio poro aperto. Vetrate stratificate BERILLO (Tecnica Tiffany) e "cattedrale neutro" per sopraluce.

ELENA double symmetrical swing door with transom. Medium walnut colour open pore wood structure. BERILLO laminated glass panes (Tiffany technique) and "cattedrale neutro" for transom.



Porta a battente ELENA
in legno tinta noce scuro.
Vetrata stratificata

Decoro MULTI-ANTE
E' un nuovo concetto di decoro: partendo da un disegno molto ampio, lo stesso viene trasferito sulle varie ante che compongono una parete scorrevole, in funzione della loro dimensione, in modo da ottenere un'unica immagine decorativa senza interruzioni, offrendo così la massima personalizzazione con realizzazioni uniche, mai uguali tra loro.

MULTI-ANTE decoration
It is a new concept of decoration. Starting from a very broad pattern, the same is transferred on the several panels that compose a sliding system, depending on the size of each panel we obtain a single and continuous decorative image without interruption. MULTI-ANTE decoration provides the maximum customization with unique solutions, never the same.

Decorations on glass: acidato - trasparente - pop - blues

Decoro MULTI-ANTE
E' un nuovo concetto di decoro: partendo da un disegno molto ampio, lo stesso viene trasferito sulle varie ante che compongono una parete scorrevole, in funzione della loro dimensione, in modo da ottenere un'unica immagine decorativa senza interruzioni, offrendo così la massima personalizzazione con realizzazioni uniche, mai uguali tra loro.

MULTI-ANTE decoration
It is a new concept of decoration. Starting from a very broad pattern, the same is transferred on the several panels that compose a sliding system, depending on the size of each panel we obtain a single and continuous decorative image without interruption. MULTI-ANTE decoration provides the maximum customization with unique solutions, never the same.

olive

Esempio indicativo di sviluppo del decoro su 3 ante da 800x2100 mm cad.
Decoration example for 3 panels measure 800x2100 mm each
